

February 17th, 2020

Wuxi Jiangsu factory resumption notification of COVID-19

Dear Customer,

PANJIT International's Wuxi Jiangsu factory has received the permission released by the local government to resume work starting on February 10th, 2020. While PANJIT is in progress to resume the production, we are committing to the social responsibility of our employees' health security by strictly following the governmental containment procedures.

The resumption rate is about 80% calculated till today; logistics has commenced since February 10th, 2020 in accordance with the local government policies. PANJIT commits to assure our customer's interest in providing continuous services, guaranteed quality and quantity.

If you have any questions regarding the delivery and inventory status, please do not hesitate to contact our sales personnel. Thank you!

PANJIT International Inc.
Chairman Jeff Fang
