

## **Declaration of Conflict-Free Minerals**

PANJIT INTERNATIONAL INC. is committed to responsible sourcing and adheres to its Conflict Minerals Policy. We conduct due diligence on the origin and chain of custody of tin (Sn), tantalum (Ta), tungsten (W), gold (Au), cobalt (Co), and mica (collectively, "Conflict Minerals") in accordance with the OECD Due Diligence Guidance for Responsible Supply Chains.

To the best of our knowledge, based on supplier declarations and our due diligence processes, the Conflict Minerals used in our products do not originate from conflict-affected and high-risk areas, including the Democratic Republic of Congo and its adjoining countries, where the trade in these minerals may finance or benefit armed groups.

We continue to engage with our suppliers to promote transparency and ensure ethical and responsible sourcing throughout our supply chain.
